Creation and science: conflicting or complementary?

Autumn 1 2020

The Big Picture

To understand the importance of the creation story in the bible. To understand the big bang theory and compare the two by discussing whether they complement each other or conflicting.

I can understand the debate and controversy around the relationship between the creation stories in the Genesis and scientific accounts.	AT1
I can understand that the discoveries of science often make Christians even more in awe of the power and majesty of God.	AT2
I can understand the controversy is connected with the way in which the Genesis text is interpreted.	AT1
I can consider how not all Christians believe the same about the relationship between Creation and science.	AT2
AT1 What I have learned about this... 	AT2 What I have learned from this...
