

A vibrant, cartoon-style illustration of a jungle scene. In the upper left, a small monkey sits on a tree branch. Next to it, a colorful parrot with red, yellow, and blue feathers is perched. To the right, a green snake is coiled around a branch. On the left side, a leopard with orange and black spots is lying down. In the center background, a pink deer stands amidst the foliage. At the bottom left, a large red and black beetle is visible. At the bottom right, a small orange fish swims in a pond. The entire scene is set against a backdrop of dense green trees and plants.
