What kind of world does Jesus want?

Autumn 2 2019

The Big Picture

To understand what it is like follow God. To know what promises and covenants Christians make to others in their lives. To reflect on how they do this in their own lives.

I can understand Christians believe that through his teachings, Jesus challenges everyone about the way they live.	AT1
I can understand that Jesus' first disciples left their jobs and families to follow Jesus.	AT1
I can understand that it is claimed that Jesus could heal a leper and that this lead to Christians believing that he showed love when others chose to ignore. I can relate this to activities at the local church and by Christian charities	AT1
I can say what a parable is and retell the parable of The Good Samaritan.	AT1
I can describe the work of a Christian charity that tries to put this teaching into practice e.g. Christian Aid. I can understand that others do this too.	AT2
