## What is it like to follow God?

Autumn 2 2019

### The Big Picture

To understand what it is like follow God. To know what promises and covenants Christians make to others in their lives. To reflect on how they do this in their own lives.

I can say how Christians believe that God makes covenants or pacts with his people. i.e. The people of God promise to live the way God wants them to.	AT1
I can retell the stories of Noah and Abraham and the way in which God made a covenant with them both.	AT1
I can understand that Christians often make covenants with God and with each other and can make links e.g. Marriage vows, baptism vows.	AT1
I can give detailed examples of how people today try and live their lives the way of God, often at a personal cost. E.g. William Booth and the Salvation Army.	AT1
I can talk about covenants or pacts I have made with others.	AT2
I can use one of the Ten commandments to create my own covenant to someone important to me and explain why I have chosen to do so.	AT2
