How do these targets link to our Christian vision?

"Go and make followers of all the nations. Baptize them in the name of the Father and of the Son and of the Holy Spirit. Teach them to do all the things I have told you"- Matthew 28:16-20

As a school, we aim to benefit the community we serve by developing language skills and international links, nurturing pupils to become courageous advocates, equipping them with the skills they need to effectively communicate God's message across nations and make the world a better place.
