

## YEAR 2 Home-Learning Pick and Mix Project -Spring Term 1 2025

Please complete a minimum of 4 activities.

Home-Learning Set: Friday 14<sup>th</sup> February 2025

Home-Learning to be completed by: Friday 28<sup>th</sup> March 2025

### Religious Education - compulsory

Last half term, we looked at the incarnation of Jesus in the Christian Christmas story and how Christmas is celebrated around the world.

(Remember, incarnation means God becoming flesh / human). Either write about how you celebrate Christmas with your family or about another special event you celebrate.

### Maths - compulsory

Complete the weekly Maths home learning task in your new red book. This will help you practise things we are learning in school.

Keep practising your 2-, 5- and 10-times tables too for our weekly Times Table Mountain challenge every Friday.

### English - compulsory

Write a set of instructions for cooking. This could be for bread, cupcakes, a sandwich or even mashed potatoes. The choice is endless! You could follow your instructions and take photos of the results.

Keep on reading daily (including your 6-book challenge book) and practising your spellings.

### Geography

Draw and label a map of your route to school. Don't forget to write a key so we know what the symbols means and a compass.

**Optional challenge:** Can you write the instructions down in case someone doesn't have a map to look at, like we did in school?

### Science

Choose some objects from around your house and sort them into 'dead', 'alive' or 'never alive'. Explain how you knew. Show your objects as groups, e.g. by drawing them, writing their names or taking photos of them.

### PE

Practice your ball skills when aiming at a target. This could be by throwing or kicking. Aim at a hoop on the ground, a circle of chalk on a wall, a football goal.

### Computing

This half term, we are going to be looking at robot algorithms (instructions that describe how to complete a task or solve a problem). Practise creating algorithms on the free Bee-Bot if a grown-up lets you or online here: <https://beebot.terrapinlogo.com/>

### Music

We had some amazing actions to our year 2 Nativity songs. Can you come up with some actions for the song '1, 2, 3, you can count on me' by Bruno Mars? Film yourself, take pictures or draw the actions.

### Courageous Advocacy

How have you lived the Vine values at home and in the wider community? The values we are focussing on during Spring 1 are: **Kindness & Patience.**
