

## **Get on your soap box!**

The teachers need inspiration! What hobby or skill can you teach us about?

**What?** Find something you are interested in and talk to us about it. Topics might include a sport, hobby, pets, favourite singer, a holiday. Basically, **anything** you are interested in we want to hear about it!

**How?** Write a short speech, make some notes from it so you are not reading it. Practise at home - in front of your mirror, your teddies, your family. The more you practise, the easier it will be!

Feel free to bring in props or photos if appropriate.

**Who?** We want **everyone** to take part!

**When?** Please be prepared for your date.
