Dear Pupils

We are delighted to be able to offer some more weekly after school clubs. Please see below the schedule for clubs running this Autumn term. If you are interested in a place, please make a payment on Arbor to secure your place. We operate a first come, first serve basis as the numbers are limited but we ask you kindly to treat these clubs with fairness.

The adults in school run clubs because they enjoy sharing their time and enthusiasm with you. If you join a club, remember that the following rules apply:

- Behaviour **MUST** be excellent – the school rules still apply after school.
- When you join the club you make the commitment for the duration – If you are unable to attend a club session then please apologise to the club leader so they do not waste their time looking for you.

In order to build up the Club Funds, to provide opportunities and resource equipment, there is a subscription. **These clubs will go live on Arbor at 6pm today – Thursday 11th September.**

**Autumn Clubs – Week commencing 15th September 2025 – w/c 1st December 2025
(10 weeks)**

There will be no clubs w/c 10th November 2025 due to Parent Consultations

Please note: Gardening club – Thursdays – dates may differ slightly – these will be confirmed.
