

THE GRAPEVINE

Week 38– July 2025

I can't believe we are heading into the final week of the academic year! We look forward to sharing your child's report with you next week as well as our incredible Year 6 production with the rest of the school and parents. We will find out who has won the House Point Competition for the year, which pupils have outstanding attendance and who will win the Year 6 Vs Staff Rounders game. Thank you especially for all your support at our wonderful Fete last week—we look forward to sharing the totals with you next week in our End of Year Newsletter.

Garden Club

Plant a Primrose for Nature

If you would like to do something for nature this summer, Garden Club are giving away free primrose plants to all pupils. Mr Clayton donated about 70 plants to the school and Garden club have potted them up. Primroses are one of our first native plants to flower in the Spring and so provide a valuable nectar source for insects. Please collect from outside the potting shed at the far end of the orchard.
